A Multitude of Services Are Accomplished by Volunteers

The Thompson Center could not operate without the dedicated volunteer force that it has. Approximately 160 volunteers served over 6,000 hours over the past year in the following ways:

- Front desk receptionists (2 each day)
- Meals on Wheels drivers (3-4 each day)
- Dining room wait staff (2-3 each day)
- Daily table setting
- Daily Bingo caller
- Board of Directors
- Newsletter folding
- Business support
- Program speakers & facilitators
- Kitchen helpers & cake bakers
- Medical appointment drivers
- Birthday card mailings
- Gardening
- Fundraising events (Christmas & Valentine’s Auction)
- Writing for our newspaper column

Top 5 Reasons Volunteers Serve here

We asked a number of our dedicated volunteers why they volunteer for the Thompson and this is some of what we heard:
1. For the warmth & friendship they find
2. To stay active
3. To be helpful to an organization that meets so many needs
4. To give back to a place that helps them
5. Feeling of value in what they are doing

We appreciate your efforts and the care you always take. Thank you for your commitment and the difference that you make!

A note from the desk of
Deanna Jones, Executive Director

Thank you to all of the voters in Barnard, Bridgewater, Pomfret and Woodstock who voted to continue town support for The Thompson. Along with private donations, grants, and fundraisers, the town income we receive is critical to be able to carry on our daily operations. Maintaining the income we need in order to keep up with our expenses is an ongoing (daily) effort. Your support is greatly appreciated!

In March, we said goodbye to Jen Bloch, our volunteer coordinator, who moved on to a new opportunity. Jen did a great job while she was with us, and she will be missed by staff and patrons. Paula Audsley is currently covering the volunteer scheduling and transportation as we look for the best way to move forward. I appreciate your support through this transition time.

I can’t believe all of the exciting events being planned for the next several months! There is much to look forward to! In addition to the wonderful volunteers mentioned on our front cover, we truly are blessed to have amazing staff who plan interesting and engaging programs for us, cover wherever needed, prepare delicious meals, drive, clean, care, and dedicate themselves fully to doing their best! I’m thinking about some special ways to celebrate staff in the coming months as well, so please let me know if you have ideas or would like to be involved!

Please help with mailing costs for The Thompson Times!

Each year in April we ask that you make a donation for The Thompson Times. Your donation will allow us to continue to offer this publication as a timely way for you to learn about our exciting programs, meals, and trips. No one will be removed from the mailing list for failure to make a donation. Thank you!

Announcing an exciting series of events coming to The Thompson Center “Women in the Whitehouse”

America’s First Ladies have served as role models in all phases of the country’s history. Some driven, some tragic, some widely beloved, and some publicly mocked. Women in the White House have rarely confined themselves to sitting around being gracious, even in times that was expected of them. More than one learned that being First Lady could be as fierce a job as the one her husband held. Many found personal steed to advance controversial ideas, to fight on the President’s behalf, or simply to weather years of intense public scrutiny. Throughout the coming months, we’ll be bringing to you a delightful series of events about our First Ladies, beginning with Vermont’s First Lady, Grace Coolidge.

Women in the Whitehouse Series —Part I
Grace Coolidge, presented by Author and Historian Cyndy Bittinger
Tuesday, May 15, 1:00PM

Cyndy Bittinger was the Executive Director of the Coolidge Foundation in Plymouth for eighteen years until her retirement. She wrote a modern biography on Grace Goodhue Coolidge, the only first lady to hail from Vermont. Her talk will draw upon archival material saved by the Coolidge family and her personal interviews with John Coolidge, Grace and Calvin’s son, before he died in 2000.

Cyndy is a faculty member at The Community College of Vermont where she teaches Vermont History and has taught Women in United States History. Her series on Vermont women runs yearly on Vermont Public Radio where she is a commentator on Vermont history. Her new book on Vermont history should be out this summer.
