March For Meals is a national campaign held during the month of March, initiated and sponsored by the Meals On Wheels Association of America (MOWAA), to raise awareness of senior hunger and to encourage action on the part of local communities. Senior Nutrition Programs across the United States, like ours at The Thompson, promote March For Meals through public events, partnerships with local businesses, volunteer recruitment and fundraising initiatives. As members of MOWAA, this is the 2nd year for the Thompson to participate in this special campaign!

Volunteers for the Thompson deliver approximately 7,500 meals each year to seniors throughout the towns of Woodstock, Bridgewater, Barnard, and Pomfret. Although the nutritious and delicious daily meal is the primary service of our Meals on Wheels program, we believe the daily visits from our dedicated volunteers are equally as important. Please look for our weekly column in the Vermont Standard throughout the month of March to learn more about our program, volunteers, and the fascinating history of Meals on Wheels.

**Local Elected Officials To Deliver Meals**

On Wednesday, March 21st, Woodstock elected officials will join thousands of other mayors and elected officials throughout the country and deliver meals in their communities. We’re thankful to our elected officials for supporting our center and helping to raise awareness about the vital service of Meals on Wheels.

**Lucy Mackenzie Humane Society And The Thompson Partner For “Meals for Pets” Program**

The Thompson Center recognizes the importance of keeping homebound people and their pets well nourished and healthy. Many studies have documented the vital role pets play in making their owners happy and healthy—and even extending their lifespan. Therefore we are expanding our current Meals on Wheels program to include pet food for those in need. Working in partnership with the Lucy Mackenzie Humane Society the Thompson will deliver needed pet food to Meals on Wheels recipients. We are excited to offer this expanded service, which is modeled after a national initiative. We are also grateful to the Lucy Mackenzie Humane Society for their generous donation of pet food. Spread the word!

**Over the Counter Medications and Supplement Safety**

Presented by Dr. Allison Lauze, PharmD

Tuesday, March 27, 1:00PM

Dr. Lauze is a pharmacist at Hannaford Pharmacy in West Lebanon, NH, and has a particular interest in promoting the safe use of alternative therapies, including dietary supplements, herbal products, homeopathic medications, and general over the counter medications such as pain relievers (Tylenol, Advil) and cough and cold medications. She will join us to discuss the safe use of these products alone and in conjunction with prescription medications, and will provide education to the community on understanding the labeling on supplement products and how to choose what is right for you. A brief question and answer session will follow.
**BEHIND THE SCENES**

A note from the desk of
Deanna Jones, Executive Director

We’re excited to participate again in “March for Meals” and help to raise awareness about Meals on Wheels in our area and nationally. Please let us know if you would like to volunteer to deliver meals or if you or someone you know could benefit from home delivered meals. It is also perfect timing to kick off our “Meals for Pets” program made possible by the Lucy Mackenzie Humane Society. Thank you to Pam Butler for getting this program up and running! It’s a great month for meals!

I hope you’ll all notice our ad in the Standard thanking our Valentine Auction sponsors & donors and the column in this newsletter on page 3. Thank you to everyone who made this year a tremendous success!

BOOK CLUB
Wednesday, March 14, 1 PM
Wallace Stegner writes novels of human relationships with rich language and vivid imagery, and reading his ALL THE LITTLE LIVE THINGS will leave you feeling as if you truly lived the experience yourself. Through the protagonist’s experiences with a young man living on his property and a (platonic, but dear) relationship with a young mother next to his property, he learns about himself and about life. One reviewer wrote “you may feel at the end as though you’ve been a part of a boxing match, but you will also feel as though you just viewed an exquisite diamond.”

HANDWORK CIRCLE
Need moral support starting or finishing a project? Join our handwork circle on Wednesdays at 10:30 AM for tips, advice, coffee, and a few laughs.

SCRABBLE CLUB
Ongoing, Mondays, 1 PM
This newly formed group wants to have fun while keeping their brains active and challenged. The National Scrabble Association “cheat sheets” and playing boards are available. Let’s play - the more the merrier!

PEARLS PROGRAM
Getting “Un-Stuck”
Sometimes in life we feel trapped by circumstances beyond our control: the loss of loved ones, the economic down turn, even the aging process itself.

Our outlook seems changed and we have feelings of sadness rather than joy more often than we would like. We feel stuck in a place we’d rather not be.

PEARLS is a program which may help get us “un-stuck”. Offered by Senior Solutions (formerly known as Council on Aging for Southeastern Vermont), PEARLS is a no-cost, in-home, eight session program which bases its success on helping seniors address un-solved problems and increasing social, physical and pleasant activities.

If you’d like to learn more by speaking with a counselor, please call 1-802-885-2694 or toll-free 1-866-673-8376.

Happy Feet!
with Mary Wood
Monthly, 9 am - 2:30 pm on the 2nd Friday & 3rd Wednesday
Mary Wood, our wonderful retired RN who runs the foot clinic, has openings in March & April. Call 457-3277 to schedule a half hour appointment with Mary between 9 - 2:30 pm on the 2nd Friday or the 3rd Wednesday of each month (see the calendar for dates). Your feet will thank you!
Cost: $15

Please Show your Support for us at Town Meeting!
The Thompson receives town support from Barnard, Bridgewater, Pomfret and Woodstock only with your vote! Although we asked for signatures on petitions to get on the ballot in each of these towns, we still need your vote on town meeting day to receive the funding. Town funding is critical for our operational budget and helps us meet our goal to provide vital services such as Meals on Wheels, transportation, and healthy aging programs that assist seniors to live successfully in their homes longer. Town Meeting day this year is on Tuesday, March 6th (in Woodstock there is a Saturday meeting on March 3rd with voting on the 6th). Please attend your town meeting and vote “Yes” for continued town support of the Thompson. Thank you!

**Isabella Stewart Gardner Museum**
Boston, MA

Wednesday, April 4, 2012

Isabella Stewart Gardner was the visionary and creator of one of the most remarkable collections of art in the world today. Over three decades she traveled the world to become a master of decorative arts. She carefully installed her collection in such a way as to elicit an intimate response from the viewer. Each room in the museum has a carefully selected mix of paintings, furniture, textiles, and objects from different cultures and periods among well-known European paintings and sculpture. We will enjoy the traditional “April Courtyard” garden featuring an abundance of flowering plants and a display of 15 to 20 foot-long nasturtium vines. For lunch we will dine at the Gardner Café which is now located in an expanded space within the museum’s newly constructed Renzo Piano-designed wing. Since 2002 Café G. has served an inspired seasonal menu with award winning desserts under the leadership of Chef Peter Crowley, a graduate of The Culinary Institute of America.

The Largest Art Heist in Modern History...  
Depicted in STOLEN, a documentary film  
Tuesday, March 6, 1:00 PM

In 1990, in the early morning hours after St. Patrick’s Day, thieves disguised as policemen gained access into Boston’s Isabella Stewart Gardner museum and successfully executed the largest art heist in modern history. Among the priceless works stolen was Vermeer’s “The Concert” one of only 35 of the masters surviving works. To date, not a single work has been recovered.

STOLEN is a full exploration of this unusual crime and the fascinating, disparate characters involved: from the 19th century Grand Dame Isabella Gardner to the 17th century Dutch masters to a 21st century terrorist organization with a penchant for stealing Vermeers. Don’t miss this fascinating prelude to our Spring trip to the Isabella Stewart Gardner museum.
