Annual Meeting 2017
Age at Home

We are all “Aging at Home” but if you’re living independently in your own house, you may be faced with particular challenges to remain safe and confident.

We heard your needs in more than 500 responses to our Aging at Home survey, and we’re thrilled to share details about the plans we’ve developed over the past year.

Join us on Wednesday, October 25th, 10:30 am, at The Thompson Center; to hear about:

- One number to call for all aging at home resources and referrals
- “Days of Service” to assist with odd jobs
- “Quick Fixes” for help with things like changing a hard to reach light bulb or smoke detector battery
- Transportation ideas being analyzed

The Annual Meeting is also an opportunity to vote on and welcome new board members and associate members, celebrate achievements, and review year end ( unaudited) financial statements.

Please RSVP by Friday, October 20th, 457-3277 or info@thompsonseniorcenter.org
Location: The Thompson Center
99 Senior Lane
Woodstock, VT 05091

Join us following the meeting for lunch at noon. Menu: Hearty Turkey Vegetable Noodle Soup, Cottage Cheese, Roll, Green Salad and Pear Ginger Crumble.

Flu Facts
Flu vaccination is an important preventative tool to reduce the risk of flu-associated symptoms among older adults and people with chronic health conditions.

While seasonal influenza outbreaks can happen as early as October, during most seasons influenza activity peaks in between December and February. 
- It takes about two weeks after vaccination for antibodies to develop in the body that protect against influenza virus infection
- There is some evidence that immunity may decline more quickly in older people.

The Center for Disease Control (CDC) recommends a yearly flu vaccine for just about everyone 6 months and older, even when the viruses the vaccine protects against have not changed from the previous season.

For older adults, two vaccine options are available. One is the standard dose and the other is the ‘high-dose’ vaccine, which is designed specifically for people 65 and older. This vaccine contains a higher dose of antigen (the part of the vaccine that prompts the body to make antibody), which is intended to create a stronger immune response in this age group.

Speak with your care provider to find out which dose he/she recommends that you receive. (Adapted from: CDC website)

The VNH Flu Clinic at The Thompson will be held on Thursday, October 12, 9:00 am - 12:00 pm. Adults 18 years and older are eligible. Please bring your Medicare Part B insurance card for direct billing. Fee for all others is $25. At VNH flu clinics the standard dose of vaccine will be administered.

NEWS & EVENTS

A Playground for Empire: Historical Perspectives on Cuba and the U.S.A.
A Vermont Humanities Council Event
Hosted by The Thompson Center
Thursday, October 19, 7:00 pm

Dinner to precede lecture at 6:00 pm at The Thompson Center. Dinner is $20 per person. Reservations required

Menu: Cuban Spiced Pork Loin, Citrus Sweet Potato Mash, Green Beans, Pear Ginger Galette

The Spanish-American war of 1898 ended Spain’s four hundred year rule of Cuba. Cuba became a U.S. protectorate and decades of instability followed, culminating in Batista’s military dictatorship. The 1959 Cuban Revolution is one of the great underdog stories in history, in which a tiny band of young rebels prevailed against all odds. This nationalist revolution quickly fell under the sway of the USSR and Cuba’s previously close ties with the U.S. were abruptly severed.

This illustrated presentation by novelist and lecturer Tim Weed, a long-time observer of the island, will highlight recent changes in light of Cuba’s long struggle for sovereignty.

Tim Weed is an award-winning novelist and lecturer who teaches at GrubStreet in Boston and Western Connecticut State University.

Supported in part by the National Endowment for the Humanities (NEH) and the Vermont Humanities Council (VHC). Any views, findings, conclusions, or recommendations expressed in this program do not necessarily represent those of the NEH or VHC. This talk is free, open to the public, and accessible to those with disabilities.

**Vermont Reads Project**

**Join us for our start-up discussion with The Thompson Book Group!**

**October 11, 1:00 pm**

**Presented by Anne Bower**

With a grant from the Vermont Humanities Council, the Abbott Memorial Library, the Prosper Valley School and ArtisTree have planned an exciting group of events around Jacqueline Woodson’s wonderful memoir-in-poems, *Brown Girl Dreaming*. A memoir of the author’s childhood in beautifully voiced poetry, *Brown Girl Dreaming* is this year’s Vermont Reads selection. The Thompson Center Book Group will host the start-up discussion on Wednesday, Oct. 11th at 1 p.m. Anne Bower, retired Assoc. Prof. of Literature, will lead the conversation, putting the book in context of African American literature, but we'll all share our favorite sections of the book and how they open us up to deeper understanding of our shared culture. Books to borrow will be available at the Abbott Memorial Library and at the Thompson, but must be returned after the October 11th discussion so they can be used in following events. Materials will be available to make quilt squares that capture our reactions to the book.

**Tai Chi's Slow, Gentle Exercise**

**Great for Mind and Body**

**Wednesdays**

**Beginner Class 9:30 - 10:30 am**

**Advanced Class 10:45 - 11:45 am**

**Ongoing, October 4, 11, 18, Nov 1, 8, 15, 29 & Dec 6, 13**

**Cost is $18**

The July 2017 *Consumer Reports* featured an article, “To Prevent Falls, Try Tai Chi.” TSC’s seniors have found that tai chi really does help your balance. This gentle, slow exercise also helps with arthritis, back pain, high blood pressure, blood sugar control, sleep problems, and concentration. Posture improves and stress reduction. As the article emphasizes, tai chi can be more effective for fall prevention than physical therapy, stretching exercises, yoga, and balance training! We apply our tai chi moves to actions in daily life (walking, housework, yardwork, etc.), and we’re also practicing deep breathing, body alignment, and strengthening our leg and core muscles. TSC’s instructors have many years of experience and love seeing the progress class participants make. “Each person makes adjustments for their own body,” Anne Bower explains. “Tai chi is not about learning the moves perfectly but about learning them in a way that makes sense for your own structure.” Give tai chi a try! Your first class is always free. Hand-outs are provided and you can also purchase a DVD to practice at home.

**Cost:** $3.00/class with all of the proceeds going to support programs at The Thompson.

For more information contact Anne at anniebower@yahoo.com or 457-2877 (website: www.anniebower.com).

**Therapy Dogs of Vermont**

**Presentation and Pet Visit**

Wednesday, October 11, 1:00 pm

Therapy Dogs of Vermont is a non-profit organization of highly-trained dogs and their volunteer handlers. Their teams bring joy and comfort to hospital patients, students in educational settings, residents of nursing & retirement homes, and correctional facilities. They also travel to area schools and universities, giving presentations in the community to bring young people in touch with really great dogs and show them what can be accomplished with love, training, and a desire to help others. Please join us for this special presentation. Please do not bring your pets to this program.

**The Poppy Project**

**Artistree at The Thompson**  
Wednesdays October 4 & 18  
1:30 pm

In commemoration of Veteran’s Day 2017, Artistree will once again be offering a two-day class where potter, Fiona Davis, and Finnie Trimpi will instruct us in the art of making clay Remembrance and Peace poppies. The finished product will have the option to be staked or worn on a lapel.

On Thursday, November 9th, we will wear or stake our poppies in The Thompson front yard in honor of Veteran’s Day. We gratefully acknowledge Diana Hayes for starting this project, and Artistree, to help make it an annual event to honor those who serve.
